How to install the BarTender software

1. Please go to:
https://www.seagullscientific.com/software/free/#Free%20Edition%20Download
and sign up for a free user portal account.

2. Once logged in, please navigate to **Downloads** to get the license code for your 30-day trial.

3. According to your operating system type, locate the correct software version, 64-bit or 32-bit, on this flash drive and start the installation process.

4. Follow the instructions on screen to install the software.

5. When prompted, please enter the license key code into the software in order to activate it. (Please note that you will need an internet connection to do so).

How to install Cody-3 driver

To install the required printer driver, locate the "**Generic_2021.2_M-2**" file in the "Drivers" folder to start the installation process.
