

# About LabTAG

The Scientific Label Experts

# About Us

LabTAG, a division of GA International, is a manufacturer of specialty labels and a provider of label printing equipment and services. For over 20 years we have been serving the life science industries and related fields with application-specific identification solutions. With a powerhouse of scientists and industry experts, we successfully develop, produce, and deliver a range of unique and proprietary products globally.

## Vision

We aim to empower scientists and medical professionals to do their work with confidence by providing them with identification solutions that address their ever-changing challenges.

## Mission

With an intense focus on R&D and customer service, we are committed to providing high-quality products and services, developed for specific applications, available worldwide and on time.

## Team

Our team of experienced scientists understands the lab technologies and identification requirements needed in the industry, therefore providing an excellent, personalized service.

# Industries

Our large selection of specialized products and extensive custom manufacturing capabilities, combined with our team of scientific experts allows us to serve several industries in the academic, clinical, pharmaceutical, and governmental sectors.

- › Biobanking
- › Biotechnology/Pharmaceutical
- › Histology/Pathology/Cytology
- › Academic/Medical Research
- › Assisted Reproductive Technology (ART)
- › Genomics & Genetics
- › Clinical Research/Trials
- › Healthcare
- › Veterinary/Animal Science
- › Blood Services
- › Surgery/Dentistry/Central Sterile
- › Chemical
- › Forensics
- › Cannabis
- › Agriculture/Environmental Science
- › Food Production/Science
- › Many more!

# Products & Services

Our strength resides in durable and application-specific labels such as cryogenic, heat-resistant, solvent-resistant and chemical-resistant labels, including RFID labels, used for sample storage, specimen tracking, product packaging, and much more. We offer fully customized pre-printed labels as well as blank labels and printing equipment.

## Cryogenic Labels

- › Cryogenic Vials
- › Cryo/Freezer Boxes
- › Metal Racks & Canes
- › IVF Straws & Vitrification Devices
- › Frozen Vials & Containers
- › 2D-barcoded tubes

## Xylene & Chemical-Resistant Labels

- › Microscope Slides
- › Immunohistochemistry
- › Paraffin Blocks
- › Resin Embedding
- › Acids & Bases
- › Chemical Containers

## Heat-Resistant Labels

- › Autoclaves & Dry-Heat Ovens
- › EtO, gamma, and Other Forms of Sterilization
- › Incubators & Boiling Water
- › PCR Thermocyclers

## Healthcare Labels

- › Blood Bags
- › Syringes
- › Equipment Calibration
- › Warning & Information

## Printing Solutions

- › Thermal-Transfer & RFID Printers
- › Barcode & RFID Scanners
- › Ribbons & Accessories
- › Label Printing Software

## Custom Labels

- › Variable Data Printing
- › Full-Color Graphics
- › Custom Materials, Shapes, & Configurations
- › Consulting for Custom Solutions
- › RFID integration

## ISO 9001:2015 Certified / ISO 22301:2012 Compliant

We are committed to providing reliable products and services that meet customer and regulatory requirements, through our ISO 9001:2015 certified quality management system.

# Why You Should Consider LabTAG as Your Label Provider

## Dedication to Quality

Rigorously tested high-grade materials and high-quality products.

## Business Continuity

Continue to support customers during service interruptions from unexpected disruptions or disasters.

## Scientific Label Experts

Deep understanding of industry-specific identification requirements.

## Two Decades of Business

Continuously scaling and improving our products and services to better serve our customers.

## Product Innovation

In-house R&D team continuously innovates and creates unique, exclusive products.

## Tailor-Made Solutions

Helping you realize your multifaceted projects with custom labels and creative solutions.

## Worldwide Distribution

Strategically located warehouses facilitate product deliveries across the globe.

## Fast Order Fulfillment

Daytime and evening crews ensure short lead times so you can meet your project deadlines.

## Satisfaction Guarantee

Easy returns and exchanges if total satisfaction is not met.

## Free Samples

Generous, free sample service allows you to try products before purchasing.
