

Microscope Slide Label Sizing Guide

LabTAG's premium line of xylene-resistant thermal-transfer printable labels is specially designed for histology applications like microscope slide processing. Choose from our XyliTUFF™, StainTUFF™, and XyliTRANS™ classes. Use this handy to scale sizing guide to choose from one of our many sizes and roll configurations. Please note not all sizes may be available for a given label class.

Please visit: Labtag.com/histology for all our histology labeling options.
